* Moniton Pictures operates a 4-day week policy for weekly hires.

The hirer accepts any liability for the damage or loss of any equipment during the hire. Moniton Pictures recommends that anyone hiring equipment should seek suitable insurance to cover damage to hired equipment. Moniton Pictures own insurance policy states that we must ensure that individuals hiring equipment have their own insurance cover for the duration of the hire to cover damage to equipment.

Sony PMW-EX1 camera available with Manfrotto 525 tripod with 503 head; comes with 1x 16GB SxS memory card and 2x 8GB SxS memory cards and batteries (suitable for 6 hours filming). Step-down ring & selection of Tiffen lens filters are available. Letus Extreme 35mm lens adapter with PL mount or Nikon mount also available for this camera.

Sony HDV-Z1E & Sony HDR-FX1E available with tripod. Wide-angle lens or fisheye lens available for either camera (included in hire cost). Selected Lens filters available for Z1E and FX1E, please ask for further details. Letus Extreme 35mm lens adapter with PL mount or Nikon mount also available for these cameras

Tascam HD-P2 Solid State Sound Recording Deck records directly to Compact Flash Cards, 4x 2GB Cards, Sennheiser ME66 shotgun microphone with pistol grip, Rycote softie and boom pole.

Green screen measures 3m wide by 7m long. Comes with metal stand/frame.

The new PMW-EX1 camera from Sony records directly on to Memory Cards and is capable of filming on XDCAM. 1x 16GB card (allowing space for 50 minutes of footage) and 2x 8GB cards (25 minutes on each), batteries (up to 6hrs filming time) all supplied as part of hire.

Sony HVR-Z1E & HDR-FX1E (shown below) cameras available with tripod and wide-angle lens and/or fisheye lens.

Hague Cam-Crane (shown without Powerhead) available with LCD monitor

Losmandy Spider Dolly (available with 3 x 8ft of straight Barlux track – not shown)
